

CARBONISTE

MODERN SPARKLING WINE

2017 Sparkling Pinot noir Rosé

We have been toiling (blood, sweat, and tears) to bring you our second release offer. A product of much inspiration and hard work, this brand has been born out of our love of sparkling wine and a desire to reimagine sparkling wine in California. CARBONISTE is dedicated to making sparkling wines that are modern and representative of grape and place.

This wine is totally hand-made, from Pinot noir grapes from the Santa Cruz Mountains in California. For the first release of this wine, we hand bottled and disgorged a single barrel (less than 25 cases).

The **2017 Sparkling Pinot noir Rosé** is a fun and fresh sparkling wine with notes of wild strawberries and guava. It is guaranteed to pair with a wide range of fresh foods including uni, ginger stir fry, and summer barbeque.

Winemaking

After harvest, grapes were pressed whole cluster and settled overnight. After racking the juice clean off the sediment, it was fermented in neutral oak at 55°F over two weeks. The wine remained in contact with its lees for six months. During which time, it was unsulfured and underwent partial malolactic fermentation, contributing to the wine's depth of character.

After 3 short months in bottle, the yeast had consumed the sugar, the sediment was removed, and we added back a small amount of wine to top up each bottle. After dosing, the bottles were capped again in order to preserve the natural youth and freshness of the wine.

Harvested 8/28/2017 20° BX	Bottled 03/16/2018 18 g/L sugar	Disgorged 6/22/2018 5 g/L sugar
