## MODERN SPARKLING WINE

### 2018 Gomes Vineyard Sparkling Albariño

We have been toiling (blood, sweat, and tears) to bring you our second release offer. A product of much inspiration and hard work, this brand has been born out of our love of sparkling wine and a desire to reimagine sparkling wine in California. CARBONISTE is dedicated to making sparkling wines that are modern and representative of grape and place.

The **2018 Gomes Vineyard Sparkling Albariño** is a light and fresh sparkling wine with notes of grapefruit and green apple. It is a fantastic aperitif wine and is guaranteed to pair so many favorite recipes, including spring fava beans, grilled octopus, and yellowtail crudo.

#### Winemaking (Traditional + Modern)

After harvest, grapes were pressed whole cluster and settled for 2 days as juice. Clear juice helps to retain the purity and focus of this wine. The first fermentation was completed at 55°F over 3 weeks. The fermentation sediment was kept with the wine until bottling in December. The wine was bottled with fresh yeast and a small amount of sugar.

After 3 months in bottle, the yeast had consumed the sugar, the sediment was removed, and we added back a small amount of wine and sugar. After a light dosage, the bottles were capped again in order to preserve the natural youth and freshness of the wine. We prefer crown caps as a final closure. They are trusted across the world to age wines before disgorging. They are a technical closure that allows minimal variation between bottles.

Harvested 8/22/2018 18.6° BX	Bottled 01/07/2019 18 g/L sugar	Disgorged 03/25/2019 5 g/L dosage
